

Article no.: 100028

Built in wall lamp, Side II WW, matt silver, 220-240V AC/50-60Hz, 1x max. 40,00 W

Absolute maximum ratings

Working temperature	-20°C - +40°C
Storage temperature	-20°C - +40°C
IP-Code	IP65

EEI The luminaire is suitable for lamps of energy efficiency classes A++ to E.

IP65 Protection against penetration of dust (complete dust protection) Protection against penetration of water jets.

Lighting of Protection Class II

in which the protection against electric shock is not based solely on isolation, but an additional safety measure contains such a way that accessible conductive parts are equipped with means for connection to the protective conductor of the fixed installation, so that in case of failure of the basic insulation exposed conductive parts cannot be active.

Because of the complex manufacturing process of the LED the above shown data are just a statistical size, which is not forced to be the realistic data of every LED.
