

Article no.: 100079

Key center lamp, LED Panel Standard Office Plus, Traffic white RAL 9016, 220-240V AC/50-60Hz, warm white + neutral white + coldwhite

Environmental Characteristics

Energy label	F
Energy consumption	40 kWh/1000h

Lifespan

Lamp life time	30000 h
Luminous flux (end of lifetime)	0.70
Number of switching cycles	15000

EEI	This product contains a light source of energy efficiency class F
IP20	Protection against penetration of foreign objects > 50 mm. No protection against penetration of water.
	Lightings of Protection-Class II in which the protection against electric shock is not based solely on the insulation, but additional safety precautions such as additional reinforced insulation are provided. There are no provisions for the connection of an equipment grounding conductor exists, yet underlying the protection of the faulty conditions.
	Because of the complex manufacturing process of the LED the above shown data are just a statistical size, which is not forced to be the realistic data of every LED.
